

ST. XAVIER'S SR. SEC. SCHOOL, SIRSA

CIRCULAR TO TEACHERS AND STAFF

Date: 24th May 2025

To: All Teaching and Non-Teaching Staff

Subject: Summer Vacation Break – Health, Renewal, and Fruitful Use of Time.

Dear Teachers and Staff,

Peace and blessings to each of you!

As the school closes for the summer vacation from 1st June to 30th June 2025, I take this moment to thank you for your dedication and perseverance in guiding our students with commitment and care. The school will reopen on Tuesday, 1st July 2025.

The intense summer heat demands caution and care. Kindly:

- Minimize exposure to extreme heat.
- Stay hydrated and well-rested.
- Make time for your personal health and wellness.

Beyond physical rest, I encourage all staff to use this break as an opportunity for professional enrichment and spiritual renewal:

- Read books and articles that nurture your intellect and inspire your vocation.
- Enrol in online courses or workshops to enhance your subject expertise or teaching methods.
- Reflect on the past months—what worked well, what can improve, and how we can deepen our mission in the coming term.
- Explore creative or faith-based pursuits that can be later integrated into your teaching work.

Let this time be one of quiet growth—in heart, mind, and spirit—so we may return reinvigorated to serve our students and community with renewed energy and grace.

With prayerful best wishes,

Fr. Selvaraj Peter
Principal
